Katherine Barbarite, Internationally known clinician specializing in Gentle Partnership & Confidence Building, has mastered a straight forward set of exercises that immediately places a solid foundation keeping heightened safety in mind. No matter what riding level or discipline, these steps build elevated CONFIDENCE for horse and rider. Take home a higher level of trust, communication and bonding. Replace fear and competition with the ultimate joy of the dance. Always setting the best first impression and introducing you without invading their space. Establish the most important aspects of the herd structure and leadership roles. Begin your journey in understanding how to use the four quarters in a balanced and harmonious way. Develop advanced communication and a better understanding of horse psychology as you develop improved timing, finesse, balance and feel then being able to work with a cow's movement and mindset to help improve your mechanics in the saddle.

---Ask and Wait for Answers, then Give for Results---Katherine Barbarite

Certified Horse Trainer w/ Frank Bell / Certified CHA Riding Instructor Western & English

Teaching the highly successful *methods of Partnership & Confidence Building with every single horse she encounters, regardless of age, issue, breed or discipline. In a step-by-step format she teaches her students the process of understanding why bad timing and poor releases lead to unhappy horses. Time will be devoted to: Introduction; Bonding; Leadership; Building a Partnership; 4x4 Theory; Driving Forward; Desensitizing; and the Two Step. Enhanced levels of understanding and higher levels of communication between horse and rider are the result. Many students have suddenly discovered a heightened level of depth in their relationship and respect of safety with horses they have owned for years. The participants are left with a volume of information to apply to every horse they encounter in the future. This is a very full day with an adequate lunch break to rest horses and riders.*

Working on issues such as: Horse and Human Communication through Feel Technique, Proper Saddle Fitting, Balance Horse and Rider, Spooking and Shying, Aggressiveness and Nervousness, Jigging and Prancing, Mounting problems, Pullback Hard to Accept Bit, Proper Foot Handling, Ears / Head Shy / Clippers / Spraying / Bathing, Proper leading and Driving, Trailer Loading, Locating and Trailer Loading, Mustang Gentling, Nutrition, Dentistry, Imprinting, Message, Bits, Farrier Flexion, softness and balanced movement, Understanding positions of open and closed doors, opposite diagonals, Turn of the forehand, Turn on the haunches, Black and White meaning, One Rein Stop
